Minutes of the meeting of the Monitoring Committee to oversee the implementation of biodiversity related conditions, held at 03.30 pm on 21.11.2024, under the chairmanship of Principal Chief Conservator of Forest (Wildlife) at Van Sadan, Dept. of Environment & Forests, Haddo, Sri Vijaya Puram, A & N Islands, in connection with holistic development of Great Nicobar Island project in respect of Environmental and CRZ Clearance of Integrated Development of ICTT, Township and Solar Based Power Plant in Great Nicobar Island.

List of persons attended the meeting is enclosed at **Annexure – I.**

At the outset, the Chairman, Principal Chief Conservator of Forest (Wildlife) welcomed the members of monitoring committee to oversee the implementation of biodiversity related conditions stipulated in the Environmental and CRZ clearance accorded for the project "Integrated Development of ICTT, Township and Solar Based Power Plant in Great Nicobar Island".

As decided in the previous joint monitoring committee meeting chaired by PCCF, Andaman and Nicobar Islands and held on 30.04.2024, the draft monitoring framework to oversee biodiversity related matter was submitted to all the committee members vide mail dated 26.09.2024.

The Project Proponent, ANIIDCO made a presentation briefing the background, key projects involved, project area details, status of EC & CRZ clearance, compliance of last joint monitoring committee meeting, budget for revised EMP submitted to MoEF&CC vide letter dated 21.12.2023 based on the proposal received from research institutes. The copy of the presentation is enclosed at **Annexure – II.**

The following issues are discussed and decisions taken:

1. ANIIDCO, the Project Proponent informed that the MHA has sanctioned Rs. 88.69 Crore towards first year expenditure for preparation of conservation plans by all the Institutes as stipulated in EC Conditions which is expected to be released shortly.

2. Dr. Antony Johnson, Scientist from WII, informed that WII has submitted research proposal for Leatherback Sea Turtle, Nicobar Megapode & Salt Water Crocodile and only after field studies for first two years, detailed conservation plan shall be prepared. Similar submission was made by representative of SACON & IIFM. Accordingly, WII requested for expediting release of funds for carrying out field studies. However, the expenditure for implementation of conservation plans shall be met within the budget already submitted as part of the research proposal.
3. Dr. C. Raghunathan, Additional Director, ZSI, Kolkata informed that conservation/ management plan has been prepared in accordance with EC & CRZ Conditions based on existing 20 years data.
4. The Chairman, PCCF (WL) asked the Project Proponent, ANIIDCO to expedite the release of funds to the respective institutes, thereby enabling the commencement of essential field studies related to the Conservation Plans.
5. Dr. S. Dinesh Kannan, Chief Conservator of Forests (CCF) informed that ANIIDCO must ensure the inclusion of the relevant EC & CRZ conditions in the Master Plan being prepared by the Project Proponent.
6. The Institutions which have not made the detailed management plan/ conservation plan should do it on priority. For this they may project their financial requirement to ANIIDCO. Time line for preparation may also be conveyed.

The meeting ended with vote of thanks to the Chair.
